STEAKHOUSE®

The Outback Story

In March of 1988, we opened our first Outback Steakhouse in the U.S. Since then, we've become the world's largest steakhouse brand, with almost 1,000 restaurants in over 20 countries.

One bite tells you why we're known as steak experts all over the world. Our tender, juicy steaks begin with only the finest beef. We then season them to perfection with our secret blend of herbs and spices, and grill them to your request.

Eat, drink and relax. Enjoy the Outback Steakhouse dining experience!

Love your steak or let us know how we can make it just right. We're committed to serving tender and juicy steaks seasoned to perfection and done just right!
